

Fall 2019 - ECON 634 - Advance Macroeconomics - Problem Set 0

Elisa Taveras Pena*
Binghamton University

August 24, 2019

1 What is the document about?

This is the initial practice for the use of GitHub. Notes on how to use latex on GitHub:

1. write every sentence in a line
2. create a .gitignore file
3. don't save pdf file
4. Also create separate small text file
